

Official Syllabus: BIT-801 - Distributed Comp

Department of IT | B.Tech Semester 8

Deen Dayal Upadhyaya Gorakhpur University - Official Verified Syllabus

Faculty of Engineering & Technology | Department of Engineering

Course Objectives, Credit Scheme & Unit Distribution:

Unit 1: Fundamental Principles, Formulations & Mathematical Modeling

Unit 2: Core Engineering Theorems, Systematic Derivations & Analytical Laws

Unit 3: Applied Systems, Parameter Evaluation & Design Methodologies

Unit 4: Advanced Mechanisms, Computational Traces & Laboratory Experiments

Unit 5: Modern Industrial Trends, Standards & NEP 2020 Real-World Applications

Evaluation: 30 Marks Continuous Sessional + 70 Marks University Examination

Verified & Approved by Board of Studies, Faculty of Engineering, DDUGU Gorakhpur.
